## Note from the Pastor

### Stewardship Sunday

The ancient Celts called these the "thin days." What that means is that the line of demarcation, the veil that veils all peoples from this world, these forms in which we live and move and have our being and the next world, the formless eternity of the Divine, gets really thin. These are the days of disembodied spirits on All Hallows Eve, the Communion of Saints on All Saints Day and the remembrance of the dead who, while physically absent are eternally present. It is the month of the dying and the living.

I have often noted that the closer a person gets to passing from this side to the other, the closer they are to death, the more aware they are of the Eternal. Many have reported to me seeing loved ones who have died before them present in the room with them preparing them for the journey. What this says to me is that the communion of the saints is real. We are intimately connected with those who have gone before us and our holy work in the present is to prepare a path for those who will follow us. We are all part and parcel of the grand evolutionary process into the heart of the Divine. We are not isolated individuals. Nor are we called to sit on the sidelines and simply watch as the parade of life passes by. We are called to get fully into the parade with those who have gone before and those who are coming after and march on.

What does that mean? Participation, Participation, Participation! Life is participation. It is not a spectator sport. We are not isolated isotopes. Woody Allen famously said that, "Eighty percent of life is showing up." So? So what? So what do you do once you show up? Just sitting there staring at life is going to get us nowhere. It's the other twenty percent that counts and that is our involvement in that life, our giving to that life and our participating in it. And if we are to fully live, participate we must. And so participate we shall.

The Second Vatican Council clearly stated that the Sacred Liturgy, the Holy Mass was both the source and the summit of our lives. If we as Christians want to live fully, we cannot simply attend Mass, we must be full-fledged participants. We cannot sit in the corners

and stare but are called to be actively engaged in the sacred action of Jesus reconciling the whole world. Lead, follow, or get out of the way. But if we're out of the way, nothing happens. If we truly follow Jesus, we then will have to take the lead in doing today what he did 2,000 years ago. We are called to be the *alter Christus*, the other Christ. And what did He do? He gave from what He had. And what did He have? Everything. Love. Love incarnate. And we are called to do and be no less.

Today is our Stewardship Sunday. Stewardship is nothing less than full and active participation in the life of Christ. We cannot and shall not, "let George do it." If, indeed, we have been touched by the power and grace and love of God, we are called to act upon it, to give back as gift what we have received as gift. The Church asks for 10% but in truth, if we were to be real Disciples of Christ, we need to give 100 percent. Doing this opens the flood gates of grace. Doing this, our smallest action has cosmic consequences. Entering into the Divine dance with wild faithful abandon changes us and the world around us. It is pure, unadulterated gift.

And now is the time to give it.

In Jesus, God's Participation in Our Life  
And Our Life in Participation of God's,

### CHILDREN'S STEWARDSHIP

Teach your children young. Teach them well. Teach them the basics. And for a disciple of Jesus that means being a good steward over God's gifts to us.

Several weeks ago we met with our children to give them their Stewardship envelopes with the promise that every penny they put in them will go to Heifer International to help the poor help themselves. And the stewardship goes on.

### THANKSGIVING FOOD DRIVE

This year we have adopted 25 families for our Thanksgiving Food Drive. The Food Drive will be held the weekend of November 10 and 11. We are in need of the following items; canned soup, vegetables, fruit, peanut butter, jelly, cereal, baking items, jello, pudding, potatoes, rice, prepared foods, spaghetti, pasta, juices, coffee, tea, paper towels, toilet tissue, Kleenex, dish soap, laundry soap, toothpaste, deodorant and Dominick's and Jewel Gift Certificates so that the families can purchase turkeys, ham or other meat for their Thanksgiving Dinners.

We want to thank you for your generosity in the past and we appreciate whatever you can do to help out this year. Many families are suffering because of loss of jobs and we hope to make their Thanksgiving Holiday special for them. We will be sorting the food on Tuesday, November 13 at 6:30 p.m. If you can spare a few hours to help us fix the Thanksgiving Baskets, we would really appreciate your help. Please give Sheila a call at (630) 833-6657 and let her know if you would like to volunteer to help sort the food. God Bless! Thank you for helping us help those in need.

### OUR LADY OF GUADALUPE

The Mass of our Lady of Guadalupe celebrates the apparition of our Lady to Juan Diego. We will be celebrating it on December 12. For the past few years we have been putting on a short play re-enacting this for our parish before Mass begins. To do this, we are in need of children who would like to play the parts of The Holy Virgin Mary, Juan Diego, two guards and a bishop. We have been fortunate to have the children volunteer in the past, but they are now growing up. We are looking for children between the ages of 8-10. If you know of any one who would be interested, perhaps your child, or niece or grandchild, please contact us. We are also looking for singers, bakers and kitchen hostesses. Any help offered would be greatly appreciated. Thank you.

### COMMUNICATIONS FROM THE BISHOP CAMPAIGN FOR HUMAN DEVELOPMENT

#### Dear Brothers and Sisters in Christ:

For over 40 years, the Catholic Campaign for Human Development (CCHD) has come to the aid of organizations nationwide in an effort to eradicate poverty in America. Just as the *Catechism of the Catholic Church* teaches us that “the Church’s love for the poor . . . is a part of her constant tradition” (no. 2444), it is also the tradition of CCHD to love the poor by helping to end the cycle of poverty.

Last year, your generosity to CCHD allowed grants for 9 local organizations working to make a difference in our communities. Two of these organizations are Community Outreach, Shining Light NFP of West Chicago, and School on Wheels, sponsored by the Sisters of the Congregation of St. Joseph.

**Community Outreach, Shining Light NFP, West Chicago**, was established in 2011 to serve the poor and vulnerable in the area of West Chicago and surrounding communities. This organization seeks to empower, educate, and provide life/job skills programs, emotional and spiritual support for unplanned pregnancy, tools for practical job skills to reach full potential, outreach to the community, family values, positive self-esteem, and partner with area schools to promote higher education and learning. The programs provide domestic violence counseling, support, and education.

**School on Wheels, Congregation of St. Joseph, LaGrange Park**, was established in 1993 to provide ESL classes for the poor and vulnerable of western Chicago and the suburbs. The School on Wheels bus visits the communities of Woodridge, Hodgkins, Cicero, Summit, and Westmont weekly. The program and volunteer tutors are flexible enough to provide English tutoring that is specialized to the individual needs. More than just providing direct service, the volunteers and students make connections with each other and their communities; develop leadership, community awareness, and appreciation for cultural differences. Some students become volunteers and community leaders.

Through CCHD the Catholic Church is working to continue its tradition of love for the poor. Please help the efforts of CCHD to break the cycle of poverty. **Fight poverty in America. Defend human dignity. Support CCHD in the upcoming Collection.** And remember, 25% of the Collection’s proceeds stay here in our diocese to fight poverty in our communities and defend the dignity of our neighbors. For more information about the Collection for the Catholic Campaign for Human Development and the groups it funds, please visit [www.usccb.org/nationalcollections](http://www.usccb.org/nationalcollections).

God bless you,

Most Reverend R. Daniel Conlon  
Bishop of Joliet
