Note from the Pastor

The Earth is Still Our Mother

A few weeks back Earth Day came and went. Did you notice? It didn't get a lot of press this year because we seem to be so preoccupied with other things (it's still the economy, sweetheart). But the earth isn't going away. Or is she?

Of course she is! So is the sun, the moon, the stars and all created things. But the question for us is are we speeding up the process? And if we truly want to, can we slow the process down? That's the question. Do we have the collective will and are we willing to pay the price for sustainability? I don't know.

The vast majority of good science seems to be on the side of the fact that there is indeed global climate change. There are pockets of people throughout the world that are doing all they can to help slow down the process of ecological degradation. But for most of us, it is still the economy. If we can frack our way to abundant natural gas and drill our way to new oil deposits, well, why not? Recently *The Atlantic* magazine ran a cover article stating that we will not run out of oil. The subtitle said it was good for America, bad for Saudi Arabia, and really dangerous for Mother Earth. Why would we go through all the trouble and expense of going green when black gold is so much easier and cheaper to obtain? So lay the pipeline and drill, baby, drill.

Really? Is there another side beside just the economic or the ecological? Yes, indeed there is, it's the theological (sure, play the God card). How does all of this look from God's perspective? One of my favorite quotes comes from the artist Georgia O'Keefe who upon viewing the earth from her first airplane ride proclaimed, "This changes everything." It's all a matter of perspective. One of our astronauts after having seen the bounty, interrelatedness, and fragility of Mother Earth from outer space came back and proclaimed that he wanted to shake some kind of sense into petty politicians. From his viewpoint in outer space he saw and believed.

The question for us is do we believe? The world is becoming very small and truly is a global village. And

as we bump up against other cultures and religions it is beginning to dawn on us that our God who is love, loves not only Catholics from Connecticut but Hindus and Muslims, Jews and Buddhists as well. We are all discovering that we have one thing in absolute common. What is grounding us all together is that we all stand on the same ground. We all breathe the same air. And Mother Earth feeds us all. Knowing that we share this commonality we now have the power to read reality with a foundational truth that goes beyond culture, religion, ideology. First and foremost, we are all members of one global community. This great reality is forced upon us now in a way we never saw before. If we decide to keep on living the life of artificial separation, of one from the other and over individuation, my rights against the common good, in a hundred years or so it will be all over.

Another thing we can see from distinct spiritual eyes is what St. Francis of Assisi clearly saw. He truly is the father of the modern environmental movement. Long before quantum physics he saw all of creation connected together. Everything was sacred, God was in all matter, and it was all to be respected. The earth was not simply subjective matter to be plundered but a sacred living organism to be lived with. Francis gave wonderful dignity to nature by making it subjective and giving it names. It was Brother Sun and Sister Moon. His own body he called Brother Ass. Once you grant subject to the natural world, everything changes. It is now not just an object to be used and then discarded, but something or even someone that we are in relationship with for our mutual benefit. Now you just don't chop down a tree because you need the firewood. You ask it for permission and promise to plant a sapling in its place. You take nothing out of the ground that you do not replace. It is the living, breathing, sacred universe in which we live. That's the theological side. God's side.

So Earth Day has come and gone. Too bad, because Earth Day is every day. Have you hugged a tree today (when Mohammed was a young man, he literally did that).

In Jesus, the Perfect Union of Heaven and Earth,

Fr. Tony

Fellowship

FELLOWSHIP SUNDAY ON MAY 19

On Sunday, May 19, everyone is invited to join other parishioners and friends at fellowship in Barrett Hall immediately following the 10:30 a.m. Mass. This month's fellowship is being hosted by the Bereavement Ministry and RCIA. Plan on bringing your family and enjoying the goodies that are donated along with juice, coffee or tea and conversing with fellow parishioners and friends.

ST. VINCENT DEPAUL CLOTHING DRIVE

The St. Vincent DePaul Truck will be in our parking lot during the weekend of June 1 and 2. We will be accepting gently used clothing for adults and children, small workable appliances, dishes, towels, wash cloths, jewelry, etc. Start your spring cleaning now and help us fill the truck with usable clothes and other items. No furniture! If you have furniture to donate, please call the St. Vincent DePaul office in West Chicago (630) 562-4801 to arrange a date for pick-up!

FEAST OF CORPUS CHRISTI JUNE 2, 2013

All are invited to join the three Catholic parishes in Elmhurst to celebrate the Feast of Corpus Christi (The Body and Blood of Christ). On Sunday, June 2, 2013 beginning at 1:00 p.m. on the Mall of Elmhurst College we will gather to begin our procession with the Blessed Sacrament through Wilder Park and ending at IC church for final prayers. For this event we are asking our children who received their First Holy Communion this year to follow the cross, candles, and servers as they lead a Solemn Procession (Parade) of the Eucharist. So, don't put away your First Communion suits or dress yet! Just show up and all will be explained to you.

RELIGIOUS EDUCATION NEWS

A special thank you to all who made our First Communion celebrations so wonderful the past two weekends. Thanks to our Grade 2 catechists, our music ministers, liturgy planners, parents, and most especially, our children. We are all very proud of you and hope to see you at the Lord's table often.

RE Registrations

June 1 will be here in a few weeks. If you want to secure your first choice of time session, get your registration forms in to the office today. Classes are filling up quickly and enrollment is limited.

Catechists Needed

We have had some folks respond to our request for help and we thank you. However, we are still in need of catechists at various grade levels at various session times. If you are a loving, welcoming, accepting, forgiving person, you have the most important qualifications for being a catechist. You don't have to be a theologian, just someone who can help our children understand how the Gospel can be applied to their lives. Come share your Faith with the young people of Mary, Queen. Call for more information.

For more information on any of the above, please contact the REO, (630) 832-8962 or email at mqhmawoods@sbcglobal.net.

Prayer List

DO YOU NEED?

We have a few items that some of our parishioners are willing to donate if you know someone in need. There is a walker with seat, brakes and wheels and a chair with a lift. If there is a need, please call the rectory at (630) 279-5700.

It is with great joy that congratulations are extended to **Amy Decillo** and **Manuel Pena**. Along with 296 other adults they completed their initiation into the Catholic Church through the sacrament of Confirmation when anointed by the Bishops with the Holy Chrism at the Cathedral in Joliet on May 5. It was a grand affair! We are all proud of you and await how you might live out your confirmation commitment in service to the parish and beyond!
