

Looking for a few Good Volunteers

The Christ-centered vitality of the MQH Religious Education Program is the many people who volunteer their time and talent in a variety of areas of the program. The best way to show your children the importance of faith development is for you to become involved. Our parish Religious Education Program will not be as dynamic without your help. Please fill out this form, and return it with your registration. Jo Styler, the Director will contact you. Thank you in advance for your interest.

Circle below where you would be interested in helping.

Catechist-Teacher: A catechist, using the detailed teacher's manual and curriculum calendar plans and leads the weekly class sessions. Our program has two catechists team teaching in each classroom. Training is provided at the beginning of the year, and ongoing workshops are available during the year at MQH and at the diocesan level. **No previous teaching experience required.** We are in need of catechists at many grade levels.

Catechist Assistant: The Assistant serves as a helper with the children, projects, and is able to get materials from the REO supply cabinet. Not the lead catechist, but a vital presence and support to the lead catechist.

Substitute Catechist: Needed on an occasional basis. Lesson plans and teacher's manuals supplied. A substitute might be used once a month, or only once during the year. Please indicate grade levels preferred and availability.

Hall Monitor: Is available to assist staff and students with outside classroom situations like, escorting a sick child to the office, getting materials needed from office, redirecting the loitering child back to class.

Office Assistant: Other "hands" are needed on a regular basis helping with various clerical duties, checking attendance, making phone calls, and answering the door.

Parking Lot Control: Grown-up eyes to watch out for the kids dashing to and from the car. This would only be needed at the very beginning and the end of the sessions at arrival and dismissal times. There is a **nifty safety vest** that you get to wear to show the importance of this position.

Creative Talent: Musicians Leader of Song, calligraphy, banners, crafts, and photography are excellent ways to share a talent and help the REO.
